

Empowering Women in Finance

Underrepresented Women

Limited leadership roles

Raise Awareness

Highlight women's contributions in finance

Provide Resources

Offer training and funding opportunities

Build Networks

Create support systems for women leaders

Promote Equality

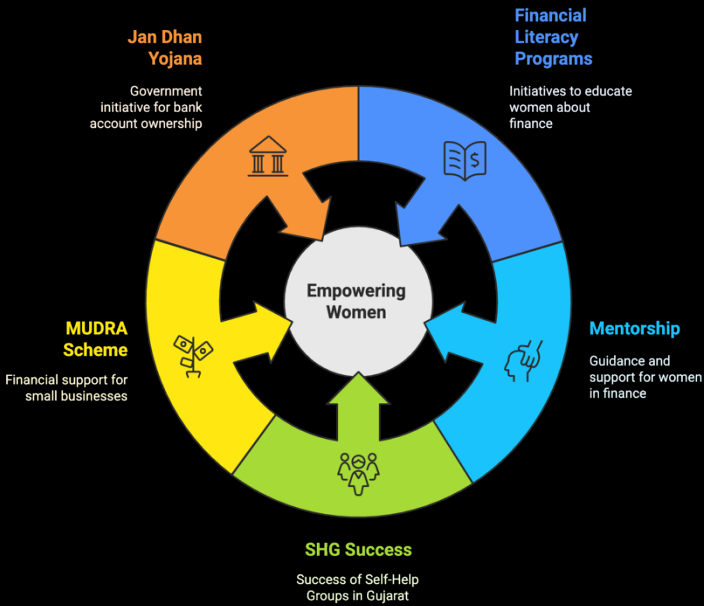

Advocate for pay parity and equal opportunities

Empowered Leaders

Women leading in finance and equality

Empowering Horizons is the inspiring journey Indian women take to master finance, demand equality, and build a future of economic strength, overcoming barriers like the 44% of women without bank accounts and cultural biases favoring male inheritance.

Empowering Women through Financial Literacy

Advancing Financial Equality
